Recycling Instructions

Customer,

Recycling is optional, but you **MUST PREPARE YOUR RECYCLING** properly. We at K&S do not separate your recyclables.

Please take note – Coat Hangers, Styrofoam of any type and Plastic bags are not recyclable.

- 1** Remove the lids
Crush plastic soft drink containers
Crush plastic liquor bottles and milk jugs.
You'll be saving space in your recycling bin.

- 2**  All glass containers may be recycled.
Remember to rinse them out and
remove any metal lids before
placing glass in the recycling bin.

- 3** Newspapers and all inserts are recyclable,
so are magazines and catalogs.
Place them in a paper bag or tie them up and put them
under your recycling bin.

Cardboard boxes should be broken down and not over the length of 3 x 3 feet

- 4**  Spiral paper cans are recyclable.
These are the familiar snack and dry beverage containers. Remove the plastic or metal lid and
rinse or wipe out any remaining food stuff. Recyclable paper cans are round and have metal
bottoms and you can see spiral groves on the inside.

- 5** Aluminum soft drink and beer cans may be recycled. Just empty them
in your bin. Steel or "tin" cans used to package a variety of foods are
Rinse or wipe out any remaining food stuff and drop the lid inside of
save space.

before placing them
recyclable too.
larger ones to

NO PAINT OR AEROSOL CANS

- 6**  Don't feel that you have to recycle each week. Wait until your recycling bin is full before you place
it at the curb for collection. Remember, your recycling collection day is the same as your
curbside trash day. Place your container at curbside, clearly apart from other trash, no later
than 7:00 a.m. on your recycling day.
